Check out this month's topic by Bridget Booker

AT EVERETT SCHOOL BY BRIDGET BOOKER

This month's showcase will be using iMovie, iDVD, iTunes, GarageBand and iPhoto!!!

Bring in your photos (holiday, vacation, family, students, etc...) and create a audio-visual showcase of your event. This is a beginning class but it is also a good time to sit down and create a project and ask questions if you are already familiar with some of the programs. This is a hands-on class. You will leave with a burned DVD that can be played on any DVD player or computer.

Day 1 - **iPhoto** import, editing pictures, organizing photos into **iMovie**

Day 2 - Adding titles and transitions, music, editing music in **iTunes/GarageBand**

Day 3 - **iDVD** - How to use, burn your final project

Projects will be created on laptops with burning capabilities. Laptops can be checked out for home use.

Wednesdays: 1/14, 1/21, 1/28
Time: 3:00 pm - 4:00 pm
Location: TBD based on # of participants
